

NAVIGATING CUSTOMS IN THE FOOD AND DRINK SUPPLY CHAIN

WEBINAR FOR FDF MEMBERS

ALWAYS ON.

Our webinar will focus on gaining control of customs declaration and making efficiencies in the Food and Drink supply chain.

Nikki Sayer – Managing Director, Casper Customs.

Alan Appleyard – Head of Casper Digital.

Przemek Duklas – Director, Spizarnia (UK) Ltd [Polish Food Wholesaler]

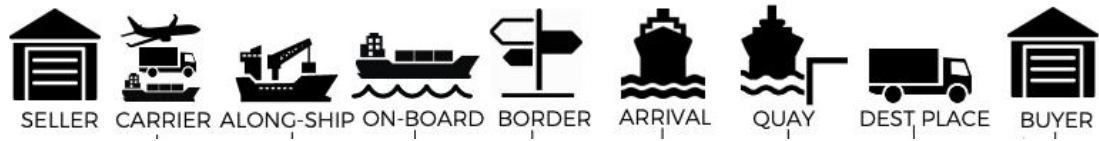

Agenda

- Understanding who ‘actually’ does your custom declarations.
- Why knowing this is so important to keeping your goods moving.
- How automation is improving the process.
- What are the benefits from a client perspective.
- Q&A

Understanding who *‘actually’* does your custom declarations.

A typical supply chain:

Do you know who *‘actually’*
does your Custom Declarations?

Why does it matter?

Inflation rate for food and non-alcoholic beverages continued to ease to 12.2% in September 2023
